PROGRAMME SCHEDULE, 2nd Int. Workshop on Basic Mechanism of Disease and Poultry Pathology

Inaugural Session: 2-03-2020, 9:00-9:30 am

Speaker/Resource Person	Topic	Time	
Prof. Dr. Corrie Brown	Introductions, Learning Objectives, Adult Learning	09:30-10:30 am	day-1 2-03-2020
	Tea Break	10:30-11:00	
Prof. Dr. Corrie Brown	Fundamental Principles of Gross Pathology: How to interpret what you see – Scenario Based	11:00-1:00	
	Lunch Break	1:00-2:00 pm	
Prof. Dr. Corrie Brown Dr. Tanja Zabka	Disturbances of Circulation – basics, followed by scenario training, with lesion description and morphologic diagnoses	2:00-3:00 pm	
Prof. Dr. Corrie Brown Dr. Tanja Zabka	Cell Injury and Necrosis – basics, followed by scenario training, with lesion description and morphologic diagnosis	3:00-4:00 pm	
Day 2			
Speaker/Resource Person	**Topic**	**Time**	
Prof. Dr. Corrie Brown Dr. Tanja Zabka	Inflammation and Inflammatory Cell Identification – basics, followed by scenario training, with lesion description and morphologic diagnoses	09:00-010:30 am	Day-2 3-03-2020
	Tea Break	10:30-11:00 am	
Prof. Dr. Corrie Brown Dr. Tanja Zabka	Disturbances of Growth – brief overview of basics with scenario training	11:00-12:30 pm	
Lunch Break			
Prof. Dr. Corrie Brown Dr. Tanja Zabka	Practical necropsy training – chickens – 2 people per chicken – including full necropsy, report writing, packaging of samples	1:30-04:00 pm	

	Day 3		**Day-3 4-03-2020**
Prof. Dr. Corrie Brown Dr. Tanja Zabka	Review of packaging and report writing	9:00-10:00 am	
	Tea Break	10:00-10:30 am	
Prof. Dr. Corrie Brown Dr. Tanja Zabka	Poultry Disease Scenarios – with focus on pathogenesis	10:30-12:30 pm	
	Lunch Break	12:30-1:30 pm	
Prof. Dr. Corrie Brown Dr. Tanja Zabka	Poultry Disease Scenarios – with focus on pathogenesis (cont.)	1:30-3:30 pm	
	Evaluation and Closing Ceremony	3:30 -4:30 pm
