

Office Memorandum

Subject: Notification of Conference Postponed

Respected all,

We regret to inform you that **International Fisheries and Aquaculture Conference – 2020** with a core theme “**Pakistan-China Belt and Road Advancement Towards Modern Aquaculture**” was scheduled on February 18, 2020 has been postponed due to outbreak of Coronavirus in China which has made difficult for our key note speakers from **Pearl River Fisheries Research Institute and Ocean University** to participate in conference. New date will be shared soon.
