Instructions for Examinations:

1. This is a "Un-seen-Open-Book off-Campus" exam and intends to evaluate the critical thinking of students.
2. Students are allowed to consult books, teaching handouts, internet and other learning material to answer the examination questions.
3. Answers should be 'hand-written' on plain/ruled paper with permanent ink.
4. Students are directed to mention the course number, course title, students name, registration number and date of examination on each page of answer-sheet along with the signature.
5. After solving the paper, take the picture of all pages of answer sheets, arrange in an order, convert to pdf and send to the concerned teacher via CTS, Google classroom, UVAS email. Class representatives are motivated to finalize the terms with class teacher before time.
6. The pdf file must be named as Registration No. and Course Number.
7. Paper solving and sending the e-answer sheets to class teacher, is time dependent activity. Please complete it within stipulated time.
8. If the answer sheets of two or more than two students are found to be "identical", then both will be awarded "F" grade and use of unfair means case will be initiated against both of them.
9. Answer-sheets will be evaluated by concerned class teachers and only Pass/Failed results will be declared. The results will also not be reflected in CGPA.
