

International Webinar on

# Statistical Package R: An Essential Tool for Genomics

Wednesday, 14 October 2020 (10:00am GMT + 5)

The comprehensive and powerful features of R-Statistical Package in data management, graphics and standard statistical analysis are making it a very useful platform for microarray data pre-processing, visualization and advanced statistical analysis. Postgraduate scholars should be skilled in such tools to analyze their data and to draw fruitful conclusions. Institute of Biochemistry and Biotechnology is privileged to announce this Webinar which will provide some background to the statistical package R, including a number of resources that have been designed to facilitate research in genetics, genomics and biotechnology.

**Dr. Peter Thompson**  
University of Sydney, Australia

## ORGANIZING BODY

### Patron in Chief

Prof. Dr. Nasim Ahmad, Vice Chancellor, UVAS

### Chief organizer

Prof. Dr. Habib-ur-Rehman, Dean, FBS, UVAS

### Organizer

Prof. Dr. Wasim Shehzad, Director, IBBt, UVAS

### Organizing Secretary

Dr. Maryam Javed, Assistant Professor, IBBt

Contact: [maryam.javed@uvas.edu.pk](mailto:maryam.javed@uvas.edu.pk), +92 347 4462376

## REGISTRATION INFORMATION

Please click to get registered

<https://forms.gle/i3E2Lb5TJRyVJY8aA>

E-Certificates would be provided to the registered participants with 50% on-line participation in the session

## PROGRAM

- 10:00 Recitation of Holy Quran
- 10:05 Welcome Address  
Prof. Dr. Wasim Shehzad,  
Director, IBBt, UVAS
- 10:10 Vice Chancellor's Address  
Prof. Dr. Nasim Ahmad
- 10:20 Technical Session  
Dr. Peter Thompson, Australia
- 11:00 Q/A Session  
Dr. Peter Thompson, Australia
- 11:20 Vote of Thanks  
Prof. Dr. Habib-ur-Rehman,  
Dean-FBS, UVAS
