

“Crescent Fun Villa By VCS”

In connection with “Spring Fiesta
2024”

‘Crescent Fun Villa By VCS ‘

Crescent Fun Villa presented by Vet Crescent Society is about Taxidermy which is the main event of this Villa. A bunch of other small games will also be conducted (rabbit race, Balloon popping etc). Taxidermy is an art of preparing, stuffing and mounting the skins of the animals especially vertebrates for display.

RULES AND REGULATIONS:

- ❖ The competition is open for all degree programs.
- ❖ Only Registered members will participate in the competition.
- ❖ For a team to be registered 3 members are mandatory, their team number will be allotted at the registration desk during registration.
- ❖ The event is composed of 3 rounds: Preliminary round, Session and Final round.

- ❖ Preliminary round will be conducted before Spring Festival and we will register teams and evaluate them . Awareness Session will be held on a tentative date 29 February 2024 and aware the teams about taxidermy. Final round will be conducted on 4th March 2024.
- ❖ Total 10 teams will be selected for the final round.
- ❖ Final round will be held in the Spring Festival.
- ❖ In case of any discrepancy, the organising committee has the right to disqualify the team.
- ❖ Winners will be awarded Cash prize , shields & Certificate.

JUDGMENTAL CRITERIA:

ACCURACY : Judges will assess how accurately the taxidermy specimen replicates the natural anatomy of animal including proportions, muscle definition and skeletal structure.

ARTISTRY : Judges will consider the overall visual impact including composition balance and artistic expression. Assessment of level of detail and intricacy in the finishing touches.

SKILLS : Judges will evaluate the technical proficiency and skill demonstrated in the taxidermy process including skinning, fleshing ,tanning, mounting and sculpting.

QUALITY OF PRESERVATION : Judges will assess the effectiveness and durability of the preservation techniques employed to maintain the specimen's integrity and prevent deterioration over time.

SPECIES DIVERSITY : Encourage participants to work with a variety of animal species to showcase the biodiversity and conservation awareness.

DISPLAY : Judges will evaluate the overall presentation and visual appeal of taxidermy exhibit ,including the choice of display case or mounting platform.

CLEANLINESS : After the completion of activity , the place should be clean where you have done the activity .

TIME : Our judgmental organization will note down the time of participation and completion of the task. It shows the participants punctuality.
