**Event Name: Blood Harmony Fest**

### Event Details

**Game#1:** Blood Bag Bowling

**Game#2:** Hemoglobin Hunt

**Game#3:** Blood Group Relay

**Date:** Thursday, March 7, 2024

**Time:** 11 AM to 1 PM

**Venue:** Admin Lawn

### Game Details

**Game#1: Blood bag bowling**

Teams will play a bowling game using "blood bags" (inflated red balloons) as pins and a "blood bag" (a larger red balloon filled with water or sand) as the bowling ball. Team has to roll the "larger blood bag" to knock down the "blood bags" set up like bowling pins. The team with the highest score wins.

**Game#2: Hemoglobin Hunt**

Teams will be blindfolded and they have to pick the hemoglobin molecules placed on the hurdles. If anyone touches hurdle due to which the molecule falls down, there will be negative marking.

**Game#3: Blood Group Relay**

Each team of 2 participants will have to transport 4 blood bags of all groups (A, B, AB, O) from starting point to ending point in relay race scenario. 1<sup>st</sup> bag will be given to one of the team member to start the race. There will be 3 points in their track where other 3 blood bags will be placed. At the 2<sup>nd</sup> point, other team member will be standing holding a blood bag. The team member starting the race must hand over the 2 blood bags (the one he/she was provided at starting of race and blood bag picked from the 1<sup>st</sup> point) to the other team member. From this point, the other team member will rush to 3<sup>rd</sup> point
