Membership & Skills Profile

- 2 years experience as a Pharmaceutical marketing personal.
 - Leadership, team management and excellent communication skills.
 - Teaching and research in Pharmacognosy and pharmacy practice
 - Member of the team Involved in the process of curriculum development for M.Phil Pharmaceutics.
 - Member of the team Involved in the process of curriculum development for M.Phil Pharmaceutical chemistry.
 - Member IPS Board of Studies.
 - Member IPS purchase committee
 - Member IPS synopsis scrutiny committee
 - Member MPhil synopsis scrutiny committee Sc I(Till March 2020)
 - IPS student advisor (2010- March 2020)
 - Incharge IPS botanical garden
 - Associate director student affairs, UVAS, Lahore(2012-2014)
 - Member syndicate UVAS, Lahore(23,June,2016)
 - Member faculty board of studies FBS(jan-2020)
 - Incharge floral club UVAS
 - Subject coordinator Pharmacognosy(Sep 2020)
 - IPS focal person Corona SOP implementation committee(2020 to date)
 - IPS focal person orientation pogramme for first year
-

Work History

Lecturer:

9th August , 2010- to date (10-years &6 months)

Institute of Pharmaceutical Sciences(IPS), The University of Veterinary and Animal Sciences, Lahore

6th March2010 -8 august 2010

University Of Faisalabad ,Faisalabad

Product Manager (2 -years)
Medimark Pharmaceutical Lahore (2005-2007)

Production Manger (1 -year)
Surgical Fiber Lahore

Education

Ph.D (Pharmacognosy) November,2019
University college of pharmacy ,Punjab university Lahore

M. Phil –Pharmacognosy (2009)
85 % above marks 3.382GPA 1st Division
Distinction 1st position
University college of pharmacy ,Punjab university Lahore

Bachelors of Pharmacy (January 2004)
University college of pharmacy ,Punjab university Lahore

Intermediate (Pre-medical) 1999

Army Public College Sialkot Cannt.
Secondary School Examination 1997

PAF Intermediate College Masroor Base Karachi.

Trainings, Workshops & Conferences Attended

- **Training (2nd February 2011 to 2nd march 2011)**
Professional Competency Enhancement Program for Teachers: Organized by National Academy of Higher Education HEC in Collaboration with University of veterinary and Animal Sciences, Lahore, Pakistan.
 - **One day online virtual workshop on “Scientific writing 23rd jan 2013 LFJ national sciences. Information centre for chemical and biological sciences) under the virtual education project Pakistan (VEPP)**
 - **Workshop (4th - 5th January 2012)**
Controlling Laboratory Biorisk
University Of Veterinary And Animal Sciences.
 - **International Conference Toxicology (26th - 27th January 2012)**
Pharmacology department University of Veterinary & Animal Sciences Lahore
 - **Pharmacist health care services hospital IPS UVAS April 17th 2013**
 - **International conference on”Pharmaceutical toxicology”25-26April 2013 in collabertaion with HEC and Department of clinical neurosciences university of Cambridge UK**
 - **2nd National Pharmacy Conference and Exhibition”Pharmacy profession for prosperous health Feb 8-9,2013 Bahawalpur Pakistans.**
 - **International conference & expo 2014 “Recent developments in human nutrition on 19-20 march ,2014 pearl continental hotel Lahore organized by UVAS in collaboration with nutritionists association of Pakistan(organizer)**
 - **Two days laboratory animals hand on workshop June 18-19 June,2014 at conference hall UVAS Lahore organized by UDL & department of clinical medicine & surgery.**
 - **One day workshop on Nanotecnology 27, August 2015 organized by chemistry department GC University Lahore.**
 - **One-week training workshop on “In-service short term training of university and college faculty”(16 to 20, May 2016)in collaboration with HEC & CEPA,UVAS Lahore.**
-

-
- **One-week training workshop on “In-service short term training of university and college faculty”(1 to 5, August 2016)in collaboration with HEC & CEPA,UVAS Lahore.(TRAINER communication skills)**
 - **Workshop on “How to use the statistical tools in research publications” 9-10 August, 2016 arranged by department of statistics and computer science faculty of life sciences and business management UVAS Lahore.**
 - **National work shop on chromatographic techniques .October 30-31 2017.organised by QOL UVAS LAHORE.**
 - **International conference on recent advances in clinical research.19-20 December 2017, organized by Department Of Physiology, UVAS Lahore, with collaboration of department of Neurology Postgraduate Medical Institute Lahore, Pakistan.**
 - **A talk by Dr .Anton V. Dolzhenko Associate Professor, Monash University Malaysia, Practical synthesis of bioactive compounds on purine isosteric scaffolds held on 22nd Oct,2018 at IPS,UVAS Lahore.**
 - **1st GRIP International conference of Pakistan on water and energy research (IC-POWER) .exhibition and conference held on 24-25 October 2018 at Expo center Lahore.**
 - **1st national workshop on sterile compounding and aseptic technique .special focus on handling of hazardous medication held on 2nd January,2019 at academic block focal person Dr Usman IPS UVAS.**
 - **2nd GRIP International conference of Pakistan on Pharmaceuticals and Biochemical sciences (IC-PBS) and 8th Pak pharma /healthcare Expo 2019.exhibition and conference held on 15-17 January, 2019 at Expo center Lahore.**
 - **Training workshop on Statistical methodologies in biomedical and health sciences held on 25th -28th Feb,2019 at UVAS, Lahore organized by Department of Statistics and computer Sciences,UVAS**
 - **Training workshop on Mendeley software by Elsevier on April 3-4,2019 ,organized by Department of Food sciences and human nutrition UVAS, Lahore.**
 - **Training workshop on ethical teaching in collaboration with QEC,UVAS Thursday,25th July 2019.**
-

- **International conference ICPU2019** Recent innovations in molecular sciences 6-8 November,2019 organized by University of the Punjab ,Lahore.
- **International conference of research on oncology and cancer sciences (IC-ROCS)-202 & Pakistan cancer awareness program(P-CAP) 30 Jan,2020 (29Jan-22Feb)Punjab University College of Pharmacy ,PU, Lahore**

Presentations & Seminars

International Conference on Research Methodology New trends and approaches from bench to bedside (6th-8th September 2012)

Paper title contraceptive properties of Seabuck thorn berries

University College of Pharmacy Punjab University, Lahore.

Health care summit 18 May,2013

Abstracts published:

Phytochemical screening and biological evaluation of Hibiscus rosa-Sinensis .IPEC 2016, Lahore – Pakistan.

Phytochemical screening and biological evaluation of Seabuck thorn berry. IPEC 2016, Lahore – Pakistan.

Research Works

Phytochemical & Biological Properties of Seabuckthorn berries

- **Phytochemical Analysis, Antioxidant And Antibacterial Effects Of Sea Buckthorn Berries Pak. J. Pharm. Sci., Vol.24, No.3, July 2011, pp.345-351 impact factor (1.8)**
- **Hepato-Nephro-Protective as well as Hypoglycemic Effects of Sea Buckthorn Berries (*Hippophae rhamnoides* L.) in Rabbits and Humans. Latin American Journal of Pharmacy 30(9) 1780-4 (2011) International - impact factor 0.309**
