

RABIA TANVIR (B.Sc (Hons.), M.S, PhD)

Assistant Professor,

Institute of Microbiology, University of Veterinary and Animal Sciences, Lahore 54600, Pakistan

E. mail: rabia.tanvir@uvas.edu.pk; Cell: 0092-322-4439472

Teaching and Research:

Activities are focussed towards 1) teaching various undergraduate and postgraduate courses along with 2) public health disease diagnostics, optimization and validation of conventional and bacteriological diagnosis, 3) isolation and characterization of new antibiotic producers against pathogens of public health importance, 4) screening of active compounds against pathogens of public health importance 5) pharmaceutical and nutraceutical compounds in natural reservoirs such as medicinal plants and their endophytes

Employment History:

2016 - present **Assistant Professor** of Microbiology

Honors, Awards and Professional Memberships:

2022-TD **Registered scientific expert** for HEC, Pakistan

2019-TD **Membership** in American Chemistry Society (ID: 31846516)

2018-TD **Registered scientific expert** for REPRIME MIUR, Italy

2019 **Congress attendance grant** by Federation of European Microbiological Societies (FEMS)

2018 **Early career scientist meeting grant** by Federation of European Microbiological Societies (FEMS)

2016 HEC, Pakistan funded **research and travel grant** for attendance of 33rd Symposium of the Malaysian Society for Microbiology, Malaysia

2012 HEC, Pakistan funded **IRSIP fellowship** for PhD research at the Universitat Tubingen, Germany

2010-TD **Global Outreach Membership** in American Society for Microbiology (ID: 35655690)

Research projects (Completed):

1. Higher Education Commission of Pakistan (2017-18). Isolation, characterization and *in vitro* bioactivity screening of endophytic actinomycetes from important medicinal plants against multidrug resistant pathogens. Value \$2,722. Role: PI

Brief Academic/Research Summary:

Publications: **27** research manuscripts/reviews and **05** international book chapters and **07** international conference papers and **01** review for international book project, **03** review for international grant project and **02** evaluation for 'Times Higher Education World University Rankings.' (2021, 2022), Thesis evaluation: **12** B.Sc (Hons.) **06** M.Sc **11** M.S/MPHil. Postgraduate students: M. Phil [**Supervised n=14, Under-supervision n=05**]

Selected Trainings (Organized/Resource Person):

1. One day training workshop on "Immunophenotyping of poultry immune cells for vaccine research using flow cytometry" by the institute of microbiology (IOM), UVAS dated 6th June 2023
2. Onsite training on antimicrobial susceptibility testing (AST) using disk diffusion, LQMS and AMR data analysis using WHONET at provincial disease diagnostic lab (PDDL), organized by Ministry of national food security and research under the Fleming Fund dated 8th march 2023
3. Resource person for fifteen days hands on training on, "Microbiological techniques" organized by the Institute of Microbiology (IOM), UVAS dated 21 Sept, 2022

4. Participated as a resource person for three days hands on training on, "Molecular detection of lumpy skin disease virus (LSDV) in cattle and guidelines for its control and prevention" organized by the Institute of Microbiology (IOM), UVAS dated March 31, 2022
5. Participated as a resource person for three days hands on training on, 'Veterinary diagnostic and surveillance techniques,' for ADIOs and VO of Livestock and Dairy Development Department, Govt. of Punjab, organized by the Institute of Microbiology (IOM), UVAS dated January 05, 2022
6. Participated as a resource person in 'Laboratory biosafety, equipment maintenance and microbiological testing' workshop organized by Institute of Microbiology (IOM), University of Veterinary and Animal Science (UVAS), Lahore dated February 22, 2021
7. Participated as a resource person for "laboratory biosafety, equipment maintenance and waste disposal" for laboratory assistant of L&DD at Institute of Microbiology, UVAS, Lahore dated October 13, 2020
8. Participated as a resource person in Resource person for 'Lab Tools for Diagnosis of Brucellosis in Buffalo' workshop organized by University Diagnostic Lab (UDL), University of Veterinary and Animal Science (UVAS), Lahore dated February 17, 2019
9. Participated as a resource person for '2nd Workshop for Biosafety Officers (BSO)' workshop organized by Institutional Biosafety Committee (IBC), University of Veterinary and Animal Science (UVAS), Lahore dated April 13-14, 2018
10. Participated as a resource person for '1st Workshop for Biosafety Officers (BSO)' workshop organized by Institutional Biosafety Committee (IBC), University of Veterinary and Animal Science (UVAS), Lahore dated April 12, 2018
11. Participated as a resource person for 'Poultry Viral Diagnostics' workshop organized by Dept. of Microbiology, University of Veterinary and Animal Science (UVAS), Lahore from March 5-12, 2018
12. Participated as a resource person for lab assisted disease diagnostic techniques workshop organized by university diagnostic lab (UDL) university of veterinary and animal science (UVAS), Lahore from March 5-12, 2018

Internal/External Collaboration:

Over the years, Dr Rabia has developed collaboration with various institutes to execute multidisciplinary research projects. A few of these include the University of the Punjab, Lahore (Dr. Shahida Hasnain, Dr. Anjum Nasim Sabri and Dr. Imran Sajid), The Woman University, Multan (Dr. Atia Iqbal, Dr. Saadia Ijaz, Dr. Humaira Yasmeen), University of Management and Technology, Lahore (Dr. Yasir Rehman, Dr. Muhammad Zaid)
