Poultry Pathology Workshop'19

Vets Care Club, UVAS Lahore (working under the auspices of Vets Care Organization) conducted a workshop on Poultry Pathology in collaboration with the Department of Pathology, UVAS Lahore on 25th April 2019 (Thursday).

Cabinet Picture of VCC with Dr. Sajid Nazir and Dr. Yasin Tipu

Workshop was guided by the **Dr. Asim Aslam** (Chairman Pathology Department) and **Dr. Yasin Tipu** (Renowned Poultry farm manager) **Dr. Sajid Nazir** was invited as a guest speaker for the workshop. He informed the students about the current affairs and the challenges faced by the poultry industry. He also talked about the most prevalent diseases of the region in summer season. Different important aspects of poultry farm management were also discussed. Question and answer session between the students and Dr. Sajid Nazir took place in which students asked about the disease management in farm and importance of vaccination and its effectiveness in poultry industry.
