OFFICE OF THE REGISTRAR

No: Regr/Gen/Syc/ 692

Dated: 10-05-2018

NOTIFICATION

On the recommendations of Academic Council made in its 43rd meeting held on 13th April, 2018, the Syndicate in its 54th meeting held on 3rd May, 2018, approved the following proposal of the Advanced Studies & Research Board (ASRB):-

The Ethical Review Committee (ERC) and Institutional Review Committee for Biomedical Research (IRC-BR) are formed to facilitate the faculty and students for the issuance of Ethical certificates. However, these two committees are not Statutory Bodies. Currently the day to day matters of committee such as minor changes in proforma, substitution of committee member (*due to non-availability or other unavoidable factors*) etc. have to be passed through ASRB. This practice has been resulting in delays of 3-4 months for minor procedures.

The ASRB has recommended that the routine approval / matters of these two committees may be allowed to be carried out by the Vice Chancellor instead of engaging ASRB, Academic Council and Syndicate.
