

MATEEN ABBAS (M.Sc, PhD Chemistry)

Associate Professor,

Quality Operations Laboratory, Institute of Microbiology, University of Veterinary and Animal Sciences, Lahore
54600, Pakistan

E. mail: mateen.abbas@uvas.edu.pk; Cell: 0092-333-6546752

Teaching and Research:

Activities are focussed towards 1) teaching various undergraduate and postgraduate courses along with 2) Analysis of Mycotoxins in Food & Feed using different techniques, 3) Detoxification/Degradation of Mycotoxins using natural and synthetic sources, 4) Quantification of veterinary drug residues in Food of animal origin 5) Development and validation of HPLC methods for identification of different analytes and 6) Identification and detoxification of pesticides in Food & Feed.

Employment History:2019 – present **Associate Professor**2010 - 2019 **Assistant Professor**2008 - 2010 **Lecturer****Honors, Awards and Professional Memberships:**

- Hafiz-i-Quran
- N.C.C. (National Cadet Course)
- HEC Indigenous Scholarship for Ph.D
- Certificate of appreciation for being the resource person in Student's Orientation Program held from 28th September to 8th October, 2010
- Appreciation letter of project completion by ICHR, USA.
- Member editorial board of SF journal of Pharmaceutical and Analytical Chemistry
- The Chemical Society of Pakistan
- UVAS Alumni Association

Professional Trainings:

- Three months training on the use and maintenance of High performance liquid chromatography (HPLC) for determination of pharmaceutical drugs at NIAB, Faisalabad from 28th March to 28th June, 2007.
- WHO workshop on prequalification program for medicines. 21-25th April, 2008.
- Five-day Assessor training course on ISO-17025 from 24-28th June, 2009.
- Training of High performance liquid chromatography (HPLC) conducted by H.A. Shah & Sons from 18-19th February 2010.
- Training workshops on ISO-17025:2005 from 14th February to 1st March 2011 organized by Quality Operations Laboratory, UVAS, Lahore
- "Training course on Accreditation of Halal Certification Bodies based on PS 4992, TORs of Halal Accreditation Committee (HAC)" conducted by Pakistan National Accreditation Council (PNAC) on 08th April 2014 at Marriot Hotel, Islamabad, Pakistan.
- In-Service Competency Enhancement Training for Teachers (I-SCETT), 2nd - 6th June, 2014
- Hands-on-training on CHARM Sciences products (CHARM-EZ & CHARM EZM) in September, 2017.

Research projects:

1. Higher Education Commission of Pakistan (2022-2025). Multiple occurrence of mycotoxins and its biochemical detoxification. Value **6.626 Million**. Role: **Principal Investigator**
2. Pakistan Higher Education Commission of Pakistan (2021-2023). Isolation, purification and characterization of Mycotoxins produced by Fusarium. Value **8.00 Million**. Role: **Co-PI**
3. Punjab Agriculture Research Board, Pakistan (2018-20). Prevalence and degradation of pesticide residues in feed and milk. Value **7.28 Million**. Role: **Project Manager**
4. Higher Education Commission of Pakistan (2019-21). Population pharmacokinetics of antibiotics in Pakistani population. Value **1.98 Million**. Role: **Co-PI**
5. Highnoon pharma. (pvt) Ltd. Lahore (2013-14). Bioequivalence of Sitagliptin/ metformin 50/500 mg tablets. Value 1.5 Million. Role: **Co-PI**
6. MTI Medical (pvt) Ltd. (2012-13) A clinical study on pharmacokinetic comparison of renessans. (A single dose study in animals and humans). Value **1.0 Million**. Role: **Co-PI**

7. International health & Clinical Research, USA. (2011-12). Preparation of nasal spray of Ondansetron and pharmacokinetic comparison with tablets and injection. Value **10,000 USD**. Role: **Co-PI**
8. Hilton Pharma. (pvt), Karachi. (2010-11). Bioequivalence study of Diclofenac potassium in healthy human. Value **1.0 Million**. Role: **Co-PI**
9. Hilton Pharma. (pvt), Karachi. (2008-09). Bioequivalence study of Pioglitazone and Metformin in healthy human. Value **1.5 Million**. Role: **Co-PI**

Brief Academic/Research Summary:

Publications: **46** and International book chapter: **02**; Abstracts published in conference/symposia: **40**

Postgraduate students: PhD [**Supervised (as Co-supervisor) n=01**], M. Phil [**Supervised n=01, Co-Supervised n=03**]
