

POLICY FOR CLIENT TO ACCESS LAB

University Diagnostic Lab (UDL) allows its clients to visit state of the art testing activities only with the permission of Director, IOM. Before lab access, the purpose of visit will be determined and it will be ensured that such visit will not adversely affect lab working and client confidentiality. Following conditions are ensured while client is provided access within the lab's testing area(s);

- Lab Personnel are pre-informed before Client is provided with access
- Client is provided with lab coat and shoe covers
- Client is escorted with authorized personnel from the Lab
- Client is only allowed in areas where activities relate to his/her testing request
- Confidentiality Policy and requirements of other client is not violated

Director, IOM.
